

2015 CDAT Small Grants Report

Part 1 Partnership Grants:

Project Name	Description	Region(s)	CDATs participating in the funded projects	Funding Amount
Youth Leadership- Peer to Peer Mentoring Project Mid North and North coast region	Train and support young people as leaders to reduce peer to peer supply and use of alcohol. A cohort of young people in each participating CDAT community will be provided with tools, training, resources and support to build their capacity to plan and deliver an intervention to reduce young people supplying alcohol to their peers. There will be an Aboriginal focus to this project that will be open to all young people.	Mid-North and North Coast NSW	BUDDI (Byron Bay) - Clarence Valley - Dorrigo/Bellingen – Kyogle – Gumbaynggirr (Coffs Harbour)– Nimbin – Tweed (7)	\$25,000.00
Safe Partying Packs	The funding will provide tangible resources for participating CDATs to use when engaging with young people at community events and at school. The packs will provide harm minimisation educational material and safe party planners for the 16-18 year old age bracket who are finishing secondary school, and progressing towards adulthood.	Western NSW	Forbes/Parkes – Lachlan – Cowra – Griffith – Dubbo – Orange – Wellington – Wagga – Temora (incl Coolamon Community AOD Team) – Bourke – Lightning Ridge – Walgett – Broken Hill (13)	\$25,000.00
Youth Awareness Out West	This project involves: A 'Walk for Awareness' event in Parkes, Forbes and Lachlan Shires during Drug Action Week (1), Save A Mate training for year 10 students (2), youth drug and alcohol survey (3), supporting local drug/alcohol free Youth Week events (4), and marketing/promotion and educational resources for the awareness raising work of the CDATs.	Western NSW	Forbes/Parkes – Lachlan (2) Working with local network of partners	\$10,000.00

Pop Up Movies	This series of Movie nights will prioritise CALD young people who gather in the local park. Planned as is an early intervention project with young people that are deemed as being 'at risk' or are in the early stages of becoming disengaged from education, their families and communities, the project will provide a soft entry point for services to engage positively with young people, to support positive changes in attitudes, but also to prevent involvement in anti-social behaviours.	Inner and Western Sydney	Canterbury (1)	\$10,000.00
Community Conversations and training	The BUDDI CDAT (Byron Bay) has two projects 1. Community Conversations Forums to discuss local Drug and Alcohol issues and 2. Providing an accredited training program for 40 CDAT volunteers to assist with the Byron Shire / Byron Schoolies Safety Response and drug action plan	Mid North and North Coast	BUDDI (Byron Bay) (1)	\$4,000.00
Training for people working with African communities on AOD issues	This project will continue the strong partnership between Hunter Multicultural CDAT and DAMEC to develop a training program based on the working with African communities toolkit (launched June 2015). The training will be delivered to a range of health, AOD, multicultural and community workers and CDAT volunteers. The objective of the training will be to provide participants with the skills and confidence to effectively work with and build the capacity of newly arrived migrant and refugee communities for the prevention of AOD harms.	Hunter New England	Hunter Multicultural CDAT (1)	\$7,000.00
Grand total			25 CDATs	\$81,000.00 (GST excl)
